

"installation d'un "Active Directory" en images".

The screenshot shows the Windows Server Manager Dashboard. On the left, a navigation bar includes 'Dashboard' (selected), 'Local Server', and 'All Servers'. The main area features a 'QUICK START' section with numbered steps: 1. Configure this local server, 2. Add roles and features, 3. Add other servers to manage, 4. Create a server group, and 5. Connect this server to cloud services. Below this is a 'WHAT'S NEW' section and a 'LEARN MORE' button. A 'Hide' link is located in the bottom right corner of the main content area. At the bottom, there's a 'ROLES AND SERVER GROUPS' section showing 'Local Server' (1) and 'All Servers' (1), each with a list of management categories: Manageability, Events, Services, Performance, and BPA results.
